PROJECTS CONCERNING THE CHILDREN'S CONVENTIONS, MAINTENANCE, ADULTS, COHABITATION, STATUS OF CHILDREN AND INTERNATIONAL FAMILY RELOCATION – PLANNING FOR 2011-2012

Note submitted by the Permanent Bureau

INTRODUCTION

This document summarises the programme of work in the fields of international child protection and family law in which the Permanent Bureau is currently engaged. The document, which is an updated version of similar documents presented to meetings of the Special Commission on General Affairs and Policy of the Conference in 2003, 2004, 2005 and 2006, and of the Council of 2007, 2008, 2009 and 2010,[1] sets out a timetable for certain projects and comments on the sources of funding for each project (cross-referenced to the Supplementary Budget for Financial Years LVII-LIX (1 July 2011 – 30 June 2014)).[2]

The mandate for much of the work relating to the *Hague Convention of 25 October 1980 on the Civil Aspects of International Child Abduction* and the *Hague Convention of 19 October 1996 on Jurisdiction, Applicable Law, Recognition, Enforcement and Co-operation in Respect of Parental Responsibility and Measures for the Protection of Children* derives from the Fifth Meeting of the Special Commission to review the operation of the 1980 Convention and to address implementation issues concerning the 1996 Convention, which took place in The Hague from 30 October to 9 November 2006.[3] The Special Commission, attended by 66 States, agreed 57 Conclusions and Recommendations, with implications both for the Regular and Supplementary Budgets of the Hague Conference.

Various projects concerning the *Hague Convention of 29 May 1993 on Protection of Children and Co-operation in Respect of Intercountry Adoption* were approved by the Special Commission meeting to review the practical operation of that Convention in November 2000. A third Special Commission meeting to review the practical operation of the Convention of 1993 held in June 2010 reaffirmed the work programme and approved further projects.[4] The programme of work is funded partly from the Regular Budget and partly from the Supplementary Budget.

The mandate for the work relating to the *Hague Convention of 23 November 2007 on the International Recovery of Child Support and Other Forms of Family Maintenance* derives in part from Recommendations adopted at the Twenty-First Session on 23 November 2007 (see Final Act of the Twenty-First Session, Part C) and in part from the Conclusions and Recommendations of the Special Commission on the implementation of the 2007 Child Support Convention and of the 2007 Protocol on the Law Applicable to Maintenance Obligations (10-17 November 2009). This work is funded partly under the Regular Budget and partly under the Supplementary Budget.

The General Principles have also been published in English and French, and Spanish. Part III and the General Principles have been translated into Arabic. It is hoped for the complete set (Parts I-IV and the General Principles) to be published in English, French, Spanish and Arabic by the end of 2012. See Supplementary Budget 2011-2014 Part I, A.1.2. Part IV has been published and distributed in English and French. The publication in Spanish is about to be finalised. No 10 of March 2011 for the attention of the Council of April 2011 on General Affairs and Policy of the Conference. See Supplementary Budget 2011-2014 Part I, A.1.3.

[5] The Conclusions and Recommendations of the Fifth Meeting of the Special Commission to review the operation of the 1980 Convention are available on the Hague Conference website at < www.hcch.net > under "Conventions" then "Convention 28" and "Practical Operation Documents". The Special Commission took place from 30 October to 9 November 2006. 2. The development of a Country Profile for Contracting States to the 1980 Convention	
Following consultation with the Expert Working Group on the Country Profile for the 1980 Convention, a decision was taken to retain the Questionnaire for Newly Acceding States alongside the new Country Profile. It was thought an unduly onerous burden to ask newly acceding States to complete the full Country Profile immediately upon accession to the 1980 Convention. The Country Profile addresses this issue in its foreword and explains that newly acceding States should complete the Questionnaire for Newly Acceding States as soon as possible following accession. They should complete the Country Profile as soon as is practicable thereafter	Recommendation No 1.1.11 of the Fifth Meeting of the Special Commission. In December 2010, following further consultation with the Expert Working Group, the revised third draft Country Profile was circulated to Members and Contracting States for consultation. The draft County Profile has been further revised in light of the feedback received from States. The final Country Profile will be circulated to Contracting States for completion in March 2011, in advance of the Special Commission meeting.
