TABLES ON THE COSTS ASSOCIATED WITH INTERCOUNTRY ADOPTION

The *Tables on costs*¹ are designed to increase transparency by compiling the available information on the costs of intercountry adoption in States of origin and receiving States.

The Tables do not aim to provide prospective adoptive parents (“PAPs”) or other actors with a definitive, “total cost” for an intercountry adoption. Rather, they aim to be a reference point for PAPs and other actors to identify if the costs which they encounter in the State of origin (Table I) and the receiving State (Table II) are of the nature and within the range provided in the Tables. The Experts’ Group will continue its discussions regarding the best method of collecting the data as well as the timeline for providing the data. It will also decide on where and how the tables should be published.

The Tables also include information about the “contributions”² which may be demanded from PAPs by certain States of origin or adoption accredited bodies in the context of an intercountry adoption. Such contributions should not be considered as “costs” of an intercountry adoption since they are distinct from the real or actual costs of the adoption procedure (*i.e.*, they are distinct from the cost of providing all the services necessary in the receiving State and the State of origin to complete each particular adoption). Nevertheless, in order to reflect the current practice of some States,³ they have been included in the tables.

INSTRUCTIONS FOR COMPLETION OF THE TABLES

Tables I and II may be completed by States to provide information concerning the estimated costs and contributions associated with an intercountry adoption in the particular State of origin or receiving State.

States of origin may complete Table I. Receiving States may complete Table II. States that are both States of origin *and* receiving States may complete both Tables.

Column “Purpose”

The “other” category should be used to add any category of costs not previously listed in the column. Please be as specific as possible.

Column “Charged by”

For each category of costs, please select the type of authority, body or person that best corresponds.

¹ For a definition of the term “costs” in the context of intercountry adoption, see the Terminology section of the *Note on the Financial Aspects of Intercountry Adoption*, available on the Hague Conference website at < www.hcch.net > under “Intercountry Adoption Section” (hereinafter, “Note”).

Date completed:

This table is designed to provide prospective adoptive parents (“PAPs”) and other adoption actors with an overview of the costs and contributions (see p. 2 on the way to enter the “amount” in the tables) which may need to be paid in the above-mentioned State of origin when undertaking an intercountry adoption from that State. Unless indicated otherwise, the costs listed are for the adoption of ONE child.

Please note: In order to obtain a comprehensive overview of the costs and contributions which may need to be paid by the PAPs, one will need also to refer to Table II (costs and contributions to be paid in the receiving State) as completed by the receiving State in which the PAPs habitually reside.

Additional amounts, such as **travel costs** (which may include airfares and accommodation) may apply (see “travel requirements” section below) but only general information concerning this is requested in this table, not actual costs.

Date completed: May 2022

Additional amounts, such as **travel costs** (which may include airfares and accommodation) may apply but are not included in this table.

				The fee sheet is only available in Danish. However, on the web site it is explained that the payment to DIA consists of the adoption fee which is divided into 6 instalments. The size of the fee depends on many factors and is made up of the costs associated with the mediation work, including expenses to the child's stay and aid, adoption related aid work and a joint amount to cover the expenses associated with the organization's adoption assistance activities in Denmark and abroad.	

¹⁶ See Section II for specific costs according to each State of origin.

		<p>Furthermore, possible expenses to notary and physician etc. are paid. The size of each instalment reflects the expenses which are associated with the processing of the case and the instalments are due concurrently with each processing phase of the case.</p> <p>Instalment 1 is paid when signing up with DIA</p> <p>Instalment 2 is paid when the case is registered on DIA's waiting list</p> <p>Instalment 3 is paid when DIA informs the applicant that the case is sent to the chosen State of Origin</p> <p>Instalment 4 is paid 1 year after the case is registered on DIA's waiting list</p> <p>Instalment 5 is paid when the child is accepted.</p> <p>Instalment 6 is paid before the child is brought to Denmark</p> <p>=> thus, the fee covers the administration and file processing by the AB in DK as well as the costs in section II and III.</p>
