HAGUE CONFERENCE ON
PRIVATE INTERNATIONAL LAW
CONFÉRENCE DE LA HAYE
DE DROIT INTERNATIONAL PRIVÉ

**Conference on International Litigation in the Asia Pacific
Wuhan, 23 - 24 September 2013**

**QUESTIONNAIRE ADDRESSED TO STATES PARTICIPATING IN THE ASIA PACIFIC
REGIONAL EVENT ON INTERNATIONAL LITIGATION**

The purpose of the Questionnaire is to collect information from States regarding the recognition and enforcement of foreign judgments and issues of international jurisdiction in the Asia Pacific region. This information will be used by the Permanent Bureau of the Hague Conference to create a country profile for each State that will assist delegates during the round table discussion session on the first day of the Conference. It is also hoped that the detailed information in the responses to this Questionnaire may be of use to participants beyond this conference.

The concept for the round table discussion session stems from the work the Permanent Bureau is currently undertaking on two key aspects of private international law in cross-border litigation: international jurisdiction and the recognition and enforcement of foreign judgments. A detailed chronology to the background of the work undertaken by the Hague Conference in this area can be located on the website of the Hague Conference < www.hcch.net >, under "Specialised Sections", then "Judgments Project".

The Questionnaire has two parts. Part I contains questions regarding the recognition and enforcement of foreign judgments and Part II contains questions on jurisdictional issues in international litigation. Please note that the Permanent Bureau has used the same terminology in the Questionnaire as that which was used in the two detailed notes that the Permanent Bureau recently prepared for the work being undertaken in this area. These notes identify the issues for consideration in the study of the recognition and enforcement of foreign judgments and jurisdiction in international litigation. For more information on these two topics and for a contextual background to the Questionnaire, please refer to these two notes which are located on the Judgments Project webpage listed above. The notes are titled, "Annotated Checklist of Issues to be discussed by the Working Group on Recognition and Enforcement of Judgments" (Note 1) "Issues Paper on Matters of Jurisdiction including Parallel Proceedings" (Note 2). A glossary of the terminology used is also located on the Judgments Project webpage, titled Annex I: Glossary to the Annotated Checklist.

The Permanent Bureau would very much appreciate receiving your response to this Questionnaire by 2 September 2013. Responses should be sent by e-mail to secretariat@hcch.net with the following heading and indication in the subject field: "Questionnaire concerning international litigation - [name of State]". Your co-operation in responding to this Questionnaire is very much appreciated and will greatly assist during the round table discussion session.
