¹ Number of adoptions completed in State of origin e.g. by adoption order or decree. If relative adoptions are included in the total, please provide in a note a separate total for these adoptions if possible.

² Number of children entrusted to prospective adoptive parents with a view to adoption in the receiving State.

³ If your national statistics are compiled according to other age groups, please indicate accordingly e.g. if you only count the number of children under 5, you should combine the two columns here that refer to children under 1 year old and between 1 and 4 years old.

⁴ Number of adoptions of special needs children.

⁵ Calculated from time child entered the institution or foster care, or from the date the Central Authority was first contacted about a child currently living with his or her family of origin that was in need of adoptive placement.

⁶ Location of child prior to adoption: these numbers should only relate to children adopted (not entrusted).

⁷ Travel related costs should not be included in this amount.
