1. The Convention of 2 July 2019 on the Recognition and Enforcement of Foreign Judgments in Civil or Commercial Matters (hereinafter, “HCCH 2019 Judgments Convention”) was successfully adopted on 2 July 2019, during the Twenty-Second Session of the HCCH between 18 June and 2 July 2019, in The Hague.

2. According to Article 12(3) of the HCCH 2019 Judgments Convention, when seeking recognition or enforcement of a judgment under the Convention, a party may use a form recommended and published by the HCCH. The form is to be completed by a court of the State of origin or by an officer of the court. While this form, like the one recommended under the HCCH Convention of 30 June 2005 on Choice of Court Agreements, is not binding in nature, it will assist the court addressed in dealing with the foreign judgment under the Convention.

3. A draft of this form was initially prepared by the Permanent Bureau (hereinafter, “PB”) for deliberation at the Twenty-Second Session. It was then revised taking into account the comments raised during the Session; revisions were reflected in Working Document No 93 REV. As pointed out by the Drafting Committee, and based on further exchanges in the plenary, it was considered that the draft Recommended Form could benefit from a further revision.

4. Commission II on General Affairs and Policy (hereinafter, “Commission II”) met during the Twenty-Second Session, and mandated the PB to revise, in consultation with Members, the draft Recommended Form with a view to submitting the revised draft Recommended Form to CGAP for approval in March 2020.

5. In line with the above mandate, the PB examined the forms accompanying international or regional instruments in the field of recognition and enforcement of foreign judgments, including the European Union Regulation on Jurisdiction and the Recognition and Enforcement of Judgments in Civil and Commercial Matters (recast) (Brussels Ia Regulation), and circulated a further revised draft Recommended Form for consultation on 30 September 2019 with a deadline for responding by 1 November 2019.

6. Some Members submitted comments, which are available on the Secure Portal for reference. In the process of addressing these comments, the PB was in constant consultation with the Chair of the Drafting Committee, the Chair of the Commission on Judgments, and Members interested in this particular issue. Taking into consideration how such a form may be used across very different jurisdictions and with the goal of ensuring its simplicity and promoting its practical use in facilitating recognition and enforcement, as well as avoiding undue prominence to questions of substance under the HCCH 2019 Judgments Convention, the PB incorporated, where appropriate and relevant, the comments into the attached revised draft Recommended Form (see Annex I: a clean version; and Annex II: a track traced version comparing with the draft Recommended Form circulated on 30 September 2019, with brief explanations), which it submits herewith to CGAP for approval.

---

7. Pursuant to the Commission II mandate, the PB invites CGAP to approve the revised draft Recommended Form. Upon approval, the Recommended Form will be used under the HCCH 2019 Judgments Convention. In spite of the non-binding nature of the Form, courts of Contracting States to the Convention are encouraged to utilise the Recommended Form with a view to facilitating the recognition and enforcement process.

According to the judgment given by the Court (Art. 3(1)(b)) or where applicable, the judicial settlement approved by the court or concluded in the course of proceedings before the court (Art. 11)),

Commented [A3]: This item was added to be in line with Article 4(4) of the Convention.

Commented [A4]: Item 8 Attachments was deleted with a view to avoiding duplication and to promoting the effective use of the form. Judgments, judicial settlements and their respective effects are dealt with specifically in the Form under items 4, 5 and 6 respectively, which would be sufficient to establish that the judgment or judicial settlement, where applicable, has effect or is enforceable in the State of origin, and needs not be repeated. Instead, as Article 12 requires certain documents to be produced when applying for recognition or enforcement in the requested State, a note was added at the end of the Form, serving as a reminder for a party seeking recognition or enforcement.

Commented [A5]: For the sake of clarity, judicial settlement is dealt with separately in the Form.

Commented [A6]: In order to assist the court addressed to identify "who has to pay what to whom", the Form introduces a different format.

In addition, the sequence of the obligations imposed was adjusted, with "monetary remedies" being followed by "non-monetary", "costs and expenses", "interests" with the consideration that "interests" can be imposed on "monetary relief" and "costs and expenses". "in the case of multiple persons being held liable", as a special case, is put at the end of Item 7.
