<p>c) Are the costs of intercountry adoption which must be paid in your State paid through the accredited body involved in the particular intercountry adoption (if applicable – see Question 16 c) above) or directly by the PAPs themselves?</p> <p><i>See the "Note on the financial aspects of intercountry adoption" at para. 86.</i></p>	<p><input checked="" type="checkbox"/> Through the accredited body: for cost in the State of origin</p> <p><input checked="" type="checkbox"/> Directly by the PAPs: for in-province costs</p> <p><input checked="" type="checkbox"/> Other (please explain): Where an accredited agency is not used, PAPs are responsible for any costs in the country of origin. Information about costs is provided by the Central Authority for Nova Scotia based on the information it receives from the Central Authority for the state of origin; the latter provides a confirmation once it has received payment from the PAPs.</p>
<p>d) Are the costs of intercountry adoption which must be paid in your State paid in cash or only by bank transfer?</p> <p><i>See the "Note on the financial aspects of intercountry adoption" at para. 85.</i></p>	<p><input type="checkbox"/> Only by bank transfer:</p> <p><input type="checkbox"/> In cash:</p> <p><input checked="" type="checkbox"/> Other (please explain): Cheque, certified cheque, for in-province costs</p>

<sup>20</sup> See the tools developed by the "Experts' Group on the Financial Aspects of Intercountry Adoption", available on the [Intercountry Adoption Section](#) of the Hague Conference website: i.e., the *Terminology adopted by the Experts' Group on the financial aspects of intercountry adoption* ("Terminology"), the *Note on the financial aspects of intercountry adoption* ("Note"), the *Summary list of good practices on the financial aspects of intercountry adoption* and the *Tables on the costs associated with intercountry adoption*.

<sup>21</sup> See the definition of "costs" provided in the harmonised Terminology, *ibid*.

### 30. Contributions, co-operation projects and donations<sup>22</sup>

<p>a) Does your State permit contributions<sup>23</sup> to be paid (either through your State's Central Authority or a national accredited body) to a State of origin in order to engage in intercountry adoption with that State?</p> <p><i>For good practices relating to contributions, see the "Note on the financial aspects of intercountry adoption" at Chapter 6.</i></p>	<p><input checked="" type="checkbox"/> Yes – please explain:</p> <ul style="list-style-type: none"> <li>- What type of contribution is permitted by your State: Nova Scotia PAP's work with specific accredited agencies outside of Nova Scotia who work with States of origin that require the payment of a contribution in order to engage in intercountry adoptions. As a Receiving State, we notably require transparency - i.e. that the amount of the contribution is fixed and well-documented in the fees of the country of origin, and that this amount is identified separately from adoption costs.</li> <li>- Who is permitted to pay it (<i>i.e.</i>, the Central Authority or a national accredited body): The accredited adoption body; if not using an accredited adoption body, the PAPS, however, the Central Authority for Nova Scotia would verify that the contribution required by the country of origin aligns with the contribution required where an accredited agency is involved. The Central Authority for Nova Scotia would request confirmation from the PAPS and the Central Authority for the Country of Origin that the contribution was paid.</li> <li>- How it is ensured that contributions do not influence or otherwise compromise the integrity of the intercountry adoption process: Before an adoption agency is accredited, it must demonstrate that the contribution is required by the State of origin, and that the amount of the contribution is fixed and well-documented.</li> </ul> <p><input type="checkbox"/> No</p>
<p>b) Does your State undertake (either through the Central Authority or national accredited bodies) co-operation projects in any States of origin?</p>	<p><input type="checkbox"/> Yes - please explain:</p> <ul style="list-style-type: none"> <li>- What type of co-operation projects are permitted by your State:</li> <li>- Who undertakes such projects (<i>i.e.</i>, the Central Authority and / or national accredited bodies):</li> </ul>

<sup>22</sup> See the definitions of these terms provided in the harmonised Terminology. In addition, on contributions and donations, see Chapter 6 of the Note, *supra*, note 20.

<sup>23</sup> See further the harmonised Terminology, *supra*, note 20, which states that there are two types of contributions: (1) contributions demanded by the State of origin, which are mandatory and meant to improve either the adoption system or the child protection system. The amount is set by the State of origin. These contributions are managed by the authorities or others appropriately authorised in the State of origin which decide how the funds will be used; (2) contributions demanded by the accredited body from PAPs. These contributions may be for particular children's institutions (*e.g.*, for maintenance costs for the child) or for the co-operation projects of the accredited body in the State of origin. The co-operation projects may be a condition of the authorisation of that body to work in the State of origin. The amount is set by the accredited body or its partners. The payment may not be a statutory obligation and accredited bodies may present the demand in terms of "highly recommended contribution", but in practice it is "mandatory" for the PAPs in the sense that their application will not proceed if the payment is not made.

	<ul style="list-style-type: none"> <li>- Whether such projects are mandatory according to the law of your State:</li> <li>- Whether such projects are monitored by an authority / body in your State:</li> <li>- How it is ensured that co-operation projects do not influence or otherwise compromise the integrity of the intercountry adoption process:</li> </ul> <input checked="" type="checkbox"/> No
<p>c) If permitted in the State of origin, does your State permit PAPs or accredited bodies to make donations to orphanages, institutions or birth families in the State of origin?</p> <p><b>N.B. This is <u>not</u> recommended as a good practice: see further the "Note on the financial aspects of intercountry adoption" at Chapter 6 (in particular, Chapter 6.4).</b></p>	<input type="checkbox"/> Yes – please explain: <ul style="list-style-type: none"> <li>- To whom donations may be made (e.g., to orphanages, other institutions and / or birth families):</li> <li>- What donations are intended to be used for:</li> <li>- Who is permitted to pay donations (e.g., only accredited bodies or also PAPs):</li> <li>- At what stage of the intercountry adoption procedure donations are permitted to be paid:</li> <li>- How it is ensured that donations do not influence or otherwise compromise the integrity of the intercountry adoption procedure:</li> </ul> <input checked="" type="checkbox"/> No

### 31. Improper financial or other gain (Arts 8 and 32)

a) Which authority is responsible for preventing improper financial or other gain in your State as required by the Convention?	Central Authority
b) What measures have been taken in your State to prevent improper financial or other gain?	Review documentation.
c) Please explain the sanctions which may be applied if Articles 8 and / or 32 are breached.	See Canada's main Country Profile.

## PART XI: ILLICIT PRACTICES<sup>24</sup>

### 32. Response to illicit practices in general

<sup>24</sup> "Illicit practices" in this Country Profile refers to "situations where a child has been adopted without respect for the rights of the child or for the safeguards of the Hague Convention. Such situations may arise where an individual or body has, directly or indirectly, misrepresented information to the biological parents, falsified documents about the child's origins, engaged in the abduction, sale or trafficking of a child for the purpose of intercountry adoption, or otherwise used fraudulent methods to facilitate an adoption, regardless of the benefit obtained (financial gain or other)" (from p. 1 of the *Discussion Paper: Co-operation between Central Authorities to develop a common approach to preventing and addressing illicit practices in intercountry adoption cases*, available on the [Intercountry Adoption Section](http://www.hcch.net) of the Hague Conference website < [www.hcch.net](http://www.hcch.net) >).

Please explain how your Central Authority and / or other competent authorities respond to intercountry adoption cases involving alleged or actual illicit practices. <sup>25</sup>	We look to our federal colleagues to assist in investigating. If documented illicit practices are confirmed, a pan-Canadian suspension of adoptions from the State of origin would occur until the matter was resolved.
--	---

### 33. The abduction, sale of and traffic in children

a) Please indicate which laws in your State seek to prevent the abduction, sale of and traffic in children in the context of your intercountry adoption programmes.  Please also specify which bodies / persons the laws target ( <i>e.g.</i> , accredited bodies (national or foreign), PAPs, directors of children's institutions).	See Canada's main Country Profile.
b) Please explain how your State monitors respect for the above laws.	See Canada's main Country Profile.
c) If these laws are breached, what sanctions may be applied? ( <i>e.g.</i> , imprisonment, fine, withdrawal of accreditation.)	See Canada's main Country Profile.

---

<sup>25</sup> *Ibid.*

### 34. Private and / or independent adoptions

Are private and / or independent adoptions permitted in your State?

**N.B.** "Independent" and "private" adoptions are not consistent with the system of safeguards established under the 1993 Convention: see further GGP No 1 at Chapters 4.2.6 and 8.6.6.

Please tick all which apply.

- Private adoptions are permitted – please explain how this term is defined in your State:
- Independent adoptions are permitted - please explain how this term is defined in your State:
- Neither private nor independent adoptions are permitted.

## PART XII: INTERNATIONAL MOBILITY

### 35. The scope of the 1993 Convention (Art. 2)

a) If foreign national PAPs, habitually resident in your State, wish to adopt a child habitually resident in another Contracting State to the 1993 Convention, are they permitted to do so under the law of your State?

*Example: Indian PAPs are habitually resident in the USA and wish to adopt a child habitually resident in India.*

- Yes – please explain whether this would be treated as an *intercountry* or *domestic* adoption in your State<sup>26</sup> and please briefly explain the procedure which would be followed, as well as any specific criteria / conditions which would apply: This would be processed as an intercountry adoption.

No

b) If foreign national PAPs, habitually resident in your State, wish to adopt a child also habitually resident in your State, are they permitted to do so under the law of your State?

*Example: Indian PAPs are habitually resident in the USA and wish to adopt a child also habitually resident in the USA.*

- Yes – please explain whether this would be treated as an *intercountry* or *domestic* adoption in your State<sup>27</sup> and please briefly explain the procedure which would be followed, as well as any specific criteria / conditions which would apply:

No

c) If a State of origin treats an adoption by PAPs habitually resident in your State as a *domestic* adoption when, in fact, it should be processed as an intercountry adoption under the 1993 Convention, how does your State deal with this situation?

*Example: PAPs who are nationals of State X habitually reside in your State. They wish to adopt a child from State X. Due to their nationality, the PAPs are able to adopt a child in State X in a domestic adoption procedure (in breach of the 1993 Convention). They then seek to bring the child back to your State.*

We would require the adoption to be brought into compliance with the Hague Convention.

<sup>26</sup> According to the 1993 Convention (see Art. 2), this is an *intercountry* adoption due to the differing habitual residences of the PAPs and the child. The Convention procedures, standards and safeguards should therefore be applied to such adoptions: see further, GGP No 1, *supra*, note 13, Chapter 8.4.

<sup>27</sup> According to the 1993 Convention (see Art. 2), this is a *domestic* adoption due to the fact that the habitual residence of the PAPs and the child is in the same Contracting State: see further, GGP No 1, *supra*, note 13, Chapter 8.4.

## PART XIII: SELECTION OF PARTNERS FOR INTERCOUNTRY ADOPTION<sup>28</sup>

<b>36. Selection of partners</b>	
a) With which States of origin does your State currently partner on intercountry adoption?	Small numbers of adoption from China, South Africa, Vietnam, Bulgaria, India and Thailand.
b) How does your State determine with which States of origin it will partner?  In particular, please specify whether your State only partners with other <i>Contracting States</i> to the 1993 Convention.  <i>To see which States are Contracting States to the 1993 Convention, please refer to the <a href="#">Status Table</a> for the 1993 Convention (accessible via the <a href="#">Intercountry Adoption Section</a> of the Hague Conference website &lt; <a href="http://www.hcch.net">www.hcch.net</a> &gt;).</i>	Mainly with Contracting States to the 1993 Convention. We will work with countries that are not Contracting States to the 1993 Convention for individual cases, however, we make every attempt to abide by the Convention's rules.
c) If your State also partners with <i>non-Contracting States</i> , please explain how it is ensured that the safeguards of the 1993 Convention are complied with in these cases. <sup>29</sup>	Essentially the same principles/criteria regarding the PAPs' suitability and eligibility to adopt, and the child's availability for adoption are applied.  <input type="checkbox"/> Not applicable: our State only partners with other <i>Contracting States</i> to the 1993 Convention.
d) Are any formalities required in order to commence intercountry adoptions with a particular State of origin (e.g., the conclusion of a formal agreement <sup>30</sup> with that State of origin)?	<input type="checkbox"/> Yes – please explain the content of any agreements or other formalities: <sup>31</sup>  <input checked="" type="checkbox"/> No

<sup>28</sup> In relation to the choice of foreign States as partners in intercountry adoption arrangements, see further GGP No 2, *supra*, note 4, Chapter 3.5.

<sup>29</sup> See GGP No 1, *supra*, note 13, Chapter 10.3 regarding the fact that "[i]t is generally accepted that States Party to the Convention should extend the application of its principles to non-Convention adoptions".

<sup>30</sup> See note 3 above concerning Art. 39(2) and the requirement to transmit a copy of any such agreements to the depositary for the 1993 Convention.

<sup>31</sup> *Ibid.*
