**Date completed: Aug. 9<sup>th</sup> 2016**

This table is designed to provide prospective adoptive parents (“PAPs”) and other adoption actors with an overview of the costs and contributions (see p. 2 on the way to enter the “amount” in the tables) which may need to be paid in the above-mentioned State of origin when undertaking an intercountry adoption from that State. Unless indicated otherwise, the costs listed are for the adoption of ONE child.

Please note: In order to obtain a comprehensive overview of the costs and contributions which may need to be paid by the PAPs, one will need also to refer to Table II (costs and contributions to be paid in the receiving State) as completed by the receiving State in which the PAPs habitually reside.

Additional amounts, such as **travel costs** (which may include airfares and accommodation) may apply (see “travel requirements” section below) but only general information concerning this is requested in this table, not actual costs.
