## INTRODUCTION

### Objectives of the Questionnaire

This Questionnaire is being circulated in preparation for a possible meeting of the Special Commission (SC) on the practical operation of the *HCCH Convention of 13 January 2000 on the International Protection of Adults*<sup>1</sup> (hereinafter, the “2000 Convention”) to be held in The Hague in May / June 2022 (dates to be confirmed).

A first questionnaire was circulated in July 2019 to assess the need for a possible meeting of the Special Commission to review the practical operation of the 2000 Convention. Responses from 27 Members were collated and formed Prel. Doc. 10 of December 2019<sup>2</sup> for the attention of the 2020 Council on General Affairs and Policy (CGAP). The Conclusion & Decision<sup>3</sup> No 31 from that meeting reads as follows:

“CGAP noted the progress made in organising the first meeting of the SC on the practical operation of the 2000 Protection of Adults Convention, to be held in May / June 2022. CGAP noted the possible topics recommended by HCCH Members in their responses to the questionnaire on this matter and encouraged the PB to focus its preparations on those topics identified as being of high interest, including by developing a Practical Handbook and, resources allowing, a Country Profile.”

This Questionnaire is addressed primarily to Contracting Parties to the 2000 Convention, but certain questions (appearing in **grey highlights**) at the beginning of the Questionnaire and on powers of representation are also addressed to Members of the HCCH that are non-Contracting Parties.

After more than 10 years of operation of the 2000 Convention, the Questionnaire has the following broad objectives:

- a. To seek information as to the implementation and practical operation of the 2000 Convention in Contracting Parties;
- b. To identify challenges or questions that have arisen in the practical operation of the 2000 Convention in Contracting Parties;
- c. To seek information as to the implementation of the 2000 Convention in non-Contracting Party Members of the HCCH;
- d. To assist with the preparation of a draft Country Profile under the 2000 Convention in advance of the SC;
- e. To assist with the drawing-up of a draft Practical Handbook on the Operation of the 2000 Convention in advance of the SC; and
- f. To obtain views and comments about other issues for discussion at the upcoming meeting of the SC.

The Questionnaire is designed to facilitate an efficient exchange of information on these matters prior to the meeting of the SC and also assist with the drawing up of an agenda for the meeting.

### ***Scope of the Questionnaire***

The Questionnaire covers all the provisions of the 2000 Convention with the exception of the final clauses (Arts 53-59). Where relevant, reference is made to the *United Nations Convention of 13 December 2006 on the Rights of Persons with Disabilities* (hereinafter the “UNCRPD”) which the 2000 Convention may assist implementing for matters which may have cross-border implications.

In considering the questions that follow, Contracting Parties and non-Contracting Parties may find it useful to refer in particular to the new and revised edition of the Explanatory Report<sup>4</sup> (ER) on the 2000 Convention drawn up by Professor Paul Lagarde.

### ***Instructions for completion***

The Questionnaire is being sent to Central Authorities designated under the 2000 Convention as well as to National and Contact Organs. Central Authorities as well as National and Contact Organs are invited to co-ordinate as appropriate with competent authorities<sup>5</sup> in their respective States as well as stakeholders in this field (*e.g.*, guardians, curators and analogous institutions, notaries, lawyers, research / academic institutions, long-term care establishments, health care providers, financial institutions). For Contracting Parties to the Convention, Central Authorities are ultimately responsible for submitting the completed Questionnaire to the Permanent Bureau (PB).

In order to allow the PB to extract parts of the Questionnaire for a compilation and analysis of the responses, please use **this Word Version** of the document, and please **do not return a PDF version** of the completed Questionnaire.

We kindly request that replies to the Questionnaire be sent to the PB by e-mail to < secretariat@hcch.net > **no later than 4 December 2020** with the following subject matter captioned in the heading of the e-mail: “[name of State] Response to the 2000 Convention Questionnaire – 2022 Special Commission”. Any questions concerning the Questionnaire may be directed to < [secretariat@hcch.net](mailto:secretariat@hcch.net) >.

The PB intends, except where expressly asked not to do so, to place all replies to the Questionnaire on the HCCH website (< [www.hcch.net](http://www.hcch.net) >). Please therefore clearly identify any responses which you do not want to be placed on the website.

Thank you for your kind co-operation.

### **VI – Applicable law – Powers of representation (including advance directives)**

In the following questions (questions 6.1. to 6.49.) references to powers of representation, as described in Article 15 of the 2000 Convention, mean, and are limited to, “powers of representation granted by an adult, either under an agreement or by a unilateral act, to be exercised when such adult is not in a position to protect his or her interest”. Such powers of representation are also known as “mandate in case of incapacity”, “self-determined guardianship”, “voluntary guardianship”, “living will”, “*mandat de protection future*”, “*mandat extrajudiciaire*”, etc.<sup>12</sup> In a great number of States, such powers of representation are private agreements. They may be witnessed, certified, notarised, or not

<sup>12</sup> Such “powers of representation” under Art. 15 of the 2000 Convention are not to be confused with “general powers of attorney” or “ordinary powers of attorney” under civil or commercial law.

be subject to any formal requirements. Several States provide for various forms of powers of representation. Any such powers of representation fall under the scope of the 2000 Convention. The availability of powers of representation under the law of Contracting Parties to the 2000 Convention will facilitate implementation of their treaty obligations. However, the absence of such powers should not stop States from becoming Contracting Parties.

Thus, powers of representation may or may not be *available* under the law of your State. Where they are, they may be available *in one or more forms* (see question 6.19. below). To achieve the desired effect, the use of any of these forms of powers of representation may be *optional or mandatory*. Furthermore, powers of representation may or may not be subject to *formal requirements* (such as being notarised, certified, or witnessed) to achieve validity and operability. In addressing the existence, extent, modification and extinction of such powers of representation for the purpose of Article 15, Section VI of this Questionnaire seeks to accommodate *all* these various possibilities with a view to obtaining a better understanding of powers of representation across HCCH Members. **If the actual position in your State does not fit easily within the alternatives offered, please use “other” at the end of any relevant question to explain the position of your State.** Responses to Section VI will be particularly relevant for drawing up a draft Country Profile and draft Practical Handbook on the operation of the 2000 Convention.

**Availability of such powers of representation (as described above in the introduction to Section VI for the purposes of questions 6.1. to 6.49.) under your domestic law and related safeguards**
