

Global coverage of the HCCH

Members + Non-Member Contracting Parties* = 156 "Connections"

91 Members:
90 States, plus the European Union

Non-Member that is a Contracting Party
(or signatory) to at least 1 HCCH Convention
or in the process of becoming a Member
(65 in total)

* Including Non-Contracting Parties in the process of becoming a Member.

NB: Boundaries on this map are based upon those used by the UN Cartographic Section. The number of States reflects the Parties as recorded by the Depository (NL MFA). Neither should be taken to imply official endorsement or acceptance.
