

Global coverage of the HCCH

Members + Non-Member Contracting Parties* = 157 “Connections”

91 Members:
 90 States, plus the European Union

Non-Member that is a Contracting Party (or signatory) to at least 1 HCCH Convention or in the process of becoming a Member (66 in total)

* Including Non-Contracting Parties in the process of becoming a Member.

NB: Boundaries on this map are based upon those used by UN Geospatial Services. The number of States reflects the Parties as recorded by the Depository (NL MFA). Neither should be taken to imply official endorsement or acceptance.
