TABLES ON THE COSTS ASSOCIATED WITH INTERCOUNTRY ADOPTION

FINLAND 20.8.2020 update

TABLES ON THE COSTS ASSOCIATED WITH INTERCOUNTRY ADOPTION

The *Tables on costs*¹ are designed to increase transparency by compiling the available information on the costs of intercountry adoption in States of origin and receiving States.

The Tables do not aim to provide prospective adoptive parents ("PAPs") or other actors with a definitive, "total cost" for an intercountry adoption. Rather, they aim to be a reference point for PAPs and other actors to identify if the costs which they encounter in the State of origin (Table I) and the receiving State (Table II) are of the nature and within the range provided in the Tables. The Experts' Group will continue its discussions regarding the best method of collecting the data as well as the timeline for providing the data. It will also decide on where and how the tables should be published.

The Tables also include information about the "contributions"² which may be demanded from PAPs by certain States of origin or adoption accredited bodies in the context of an intercountry adoption. Such contributions should not be considered as "costs" of an intercountry adoption since they are distinct from the real or actual costs of the adoption procedure (*i.e.*, they are distinct from the cost of providing all the services necessary in the receiving State and the State of origin to complete each particular adoption). Nevertheless, in order to reflect the current practice of some States,³ they have been included in the tables.

INSTRUCTIONS FOR COMPLETION OF THE TABLES

Tables I and II may be completed by States to provide information concerning the estimated costs and contributions associated with an intercountry adoption in the particular State of origin or receiving State.

States of origin may complete Table I. Receiving States may complete Table II. States that are both States of origin *and* receiving States may complete both Tables.

Column "Purpose"

The "other" category should be used to add any category of costs not previously listed in the column. Please be as specific as possible.

Column "Charged by"

For each category of costs, please select the type of authority, body or person that best corresponds.

¹ For a definition of the term "costs" in the context of intercountry adoption, see the Terminology section of the *Note on the Financial Aspects of Intercountry Adoption*, available on the Hague Conference website at < www.hcch.net > under "Intercountry Adoption Section" (hereinafter, "Note").

² For a definition of the term "contribution" in the context of intercountry adoption, see Note, *supra* note 1. See also Chapter 6 of the Note regarding the problems and recommendations associated with "contributions" and Hague Conference on Private International Law's, *Accreditation and Adoption Accredited Bodies: General Principles and Guide to Good Practice*, Guide No 2, Family Law (Jordan Publishing Ltd), 2012, Chapter 9, available on the Hague Conference website at < www.hcch.net > under "Intercountry Adoption Section" (hereinafter, "Guide to Good Practice No 2").

Date completed:

This table is designed to provide prospective adoptive parents (“PAPs”) and other adoption actors with an overview of the costs and contributions (see p. 2 on the way to enter the “amount” in the tables) which may need to be paid in the above-mentioned State of origin when undertaking an intercountry adoption from that State. Unless indicated otherwise, the costs listed are for the adoption of ONE child.
