WHAT IS AN APOSTILLE?

#### This Electronic Register (e-Register) allows you to verify the apostilles issued for official administrative documents since November 1st 2015.

In order to verify the apostille, please fill in the fields below and select "Verify". The apostille's number can be found at Title 8 of its content. If following the interrogation of the e-Register, the "Results" fields include information regarding a different official administrative document, please report it at apostille@mfa.tj.

Disclaimer: Any result posted or generated by the this verification tool is made available for informational purposes only. An Apostille only confirms that the signature, seal or stamp on the document is genuine. It does not mean that the contents of the document are correct or that the Apostille issued authority approves of the contents.
