## **Report on Post-Convention Assistance (1 January – 31 December 2025)**

### **I. Introduction**

- 1 To ensure the effective implementation and practical operation of HCCH Conventions and instruments, and in conformity with the [Strategic Framework for Post-Convention Assistance](#) (Strategic Framework), approved by the Council on General Affairs and Policy (CGAP) in March 2015,<sup>1</sup> the Permanent Bureau (PB) provides a range of post-Convention assistance activities for the benefit of HCCH Members (and, in exceptional circumstances, non-Members).
- 2 As set out in the Strategic Framework, the term “post-Convention assistance” refers specifically to:

“(...) assistance provided to support effective implementation and operation of any HCCH Convention or other HCCH instrument through legal and technical advice and training to the requested State.

Post-Convention assistance does not include general activities and services such as Special Commissions, guides to good practice and practical handbooks, the publication of documents and maintaining of databases, promotional activities or the provision of day-to-day advice and assistance to States and other stakeholders.”
- 3 This Prel. Doc. provides an exhaustive list of the post-Convention assistance activities undertaken by the PB between 1 January and 31 December 2025.

### **II. Proposal for CGAP**

- 4 The PB proposes the following Conclusion and Decision:

CGAP noted the report on post-Convention assistance activities and recognised the value of these activities in contributing to the effective operation of HCCH Conventions.
